Natural Avalanches on Henderson Bench

Henderson Bench
Cooke City
3/2/2024
Code
N
Aspect
E
Latitude
45.05580
Longitude
-109.94700
Notes

On 03/08/2024 we saw widespread avalanches along Henderson Bench as well, below the steep break over in the trees, 3'+ deep breaking across multiple terrain features through thick trees, most of the bench slid, and appeared to have happened last weekend.
