

Republic Creek Avalanches

Date

Mon, 01/29/2024 - 18:00

Activity

Skiing

Observed quite a few avalanches at the head of Republic Valley today. D1-D2. Range. Looked to be 2-3 days old on various aspects. primarily North-Northwest facing.

attached a few photos. Did not get a good shot of The headwall off Republic peak but that had also slid

Region

Cooke City

Location (from list)

Republic Creek
