

Skier-triggered avalanche in Super Couloir

Date

Wed, 11/06/2024 - 15:10

Activity

Skiing

From IG Message: “Hey guys - my partner broke off a small avalanche in super [couloir](#) today... broke full depth across half the [couloir](#), 2-3’ deep/20’ wide and looked like it ran around 500’. No one was caught. He might message you with pictures too but here’s a video from the top”

Region

Bridger Range

Location (from list)

Bridger Bowl
